

Memory Foam Lumbar Support Cushion (DMI 7921)

Memory Foam Lumbar Cushion
Lumbar support helps ease lower back pain. Orthopedic design helps keep spine in proper alignment. Removable, machine washable polyester/cotton cover. Foam meets CAL # 117 requirements. Size: 14" x 13". Highly resilient visco-elastic foam helps reduce pressure point sensitivity. Memory foam reacts to the temperature of the body and forms naturally to body contours. Elastic strap helps hold cushion in place.

Lumbar Support Roll Half Roll (DMI 7914)

Lumbar Support - Half Roll
Provides lumbar support to help ease lower back pain and promote proper spine alignment. Firm foam construction for maximum support and comfort. Elastic strap helps hold cushion in place. Removable, machine washable navy polyester/cotton cover. Foam meets CAL #117 requirements.

Lumbar Support Cushion (DMI 7300)

Standard Lumbar Cushion w/ Strap
Lumbar support helps ease lower back pain. Orthopedic design helps keep spine in proper alignment. Removable, machine washable polyester/cotton cover. Foam meets CAL # 117 requirements. Size: 14" x 13". Made of highly resilient contoured foam. Elastic strap helps hold cushion in place.

Rubber Inflatable Ring
Features a special valve designed for easy inflation. Inflate to desired level of firmness using a bicycle-style pump. Helps relieve the pain and discomfort associated with hemorrhoids and other perineal conditions. Conforms to body contours. Reduces pressure point discomfort. Made of durable rubber. Weight capacity 200 lbs. Contains latex.

Coccyx Cushion 16*16*3 Navy (Essential Medical N1001)

NAVY COCCYX CUSHIONS
Rear Cutout Relieves Pressure on Coccyx Area, Provides Stability and Comfort. Navy Removable Zippered Cover.

Swivel Seat Cushion Gray 15*1" (DMI 1992)

Swivel Seat Cushion

Swivels 360° for effortless movement in any direction while seated. Ideal for getting in and out of vehicles. Helps prevent back and hip strain. Durable construction. Portable and lightweight. Comfortable, polyfoam padded seat. Removable, machine washable gray velour cover. Size: 15-1/2" diameter x 1" thick. Weight capacity 300 lbs. Foam meets CAL #117 requirements.

Standard Economy Foam Wheelchair Cushion (FLA C1359PK)

POSTURA® STANDARD ECONOMY CUSHION

Basic foam cushion for general use and comfortable seating with dual firmness foam, a polyurethane foam base, and a viscoelastic (memory foam) top layer. The fluid-proof Polyester cover reduces shear and has a non-slip bottom. Cover meets CAL 117. Features a handle for easy carrying. Available in 3" size. Cushion is individually packaged in a zippered vinyl bag with a full-color, high-impact retail graphic.

Standard Gel Foam Wheelchair Cushion (FLA C2355PK)

POSTURA® GELFOAM® CUSHIONS

Provides superior skin protection and pressure relief with a full viscoelastic gel continuous layer between layers of dual bottom. Fluid-proof polyester cover with non-slip bottom. Removable cover is wipeable and washable. Features a soft-top layer of viscoelastic (memory) foam. Cushion is individually packaged in a zippered vinyl bag with a full-color, high-impact retail graphic.

Postura® Solid Seat Insert (FLA C0050PK)

POSTURA® SOLID SEAT INSERT

Standard positioning board provides a solid support base to improve posture, increase comfort, and prevent hammocking of a sling seat. Rigid and durable, the board has a slim, lightweight profile that will not affect the sitting height. A honeycomb design on the under side adds strength while keeping the board lightweight. Fits a standard 18" x 16" wheelchair seat. Can easily be inserted into the cushion cover beneath the cushion.

Universal Wheelchair Tray 20*24 (DMI 4016)

Wheelchair Tray, Hardwood

Ideal for eating, writing and reading. Hardwood tray features raised T-molding edges to contain spills and to prevent items from rolling off. Trays feature a semi-circle cutout for added comfort. Easy to clean and includes hook and loop straps to help hold tray securely in place. Trays fit most standard wheelchairs.

Wheelchair Bag (EZ Accessories EZ0060BK)

Adjustable straps easily slip over push handles of wheelchair. Large deep pockets make this pack ideal for shopping. High quality water resistant nylon. Available in black.
17 1/2" x 16 1/2" x 4 1/2"

Elevating Legrests For Guardian Easy Care 2000 (Guardian INT94HE)

Guardian® Composite Elevating Legrests adjust through 90 degrees to accommodate user comfort. Fits all Guardian Easy Care wheelchairs.

Deluxe Seat Lift Cushion (DMI 8884)

Firm foam cushion provides lift and comfort while a hardboard insert provides extra support to eliminate hammock effect when used in wheelchairs. Cover made of durable black leatherette with 5" strap handles. Can be used in wheelchairs, conventional chairs or anywhere additional height is needed.

Deluxe Transfer Board (DMI 1760)

Helps transfer patients from wheelchair, bed, chair or commode.
Convenient single hand-hold cut-out. Sealed and coated for

protection and friction-free transfer. Constructed of solid 3/4"

maple plywood.

Dimensions: 8" x 30" Solid 3/4" maple plywood

Weight capacity 440 lbs.
